WOMEN'S HISTORY MONTH!

NATIONAL THEME: "WOMEN'S EDUCATION - WOMEN'S EMPOWERMENT"

THE FSIS TOPIC OF DISCUSSION WILL BE...

"LEADERSHIP DEVELOPMENT"

This image from Diversitystore.com

Under the topic of Leadership Development *"Leading in Place"* is a workshop designed to help people at all levels within an organization maximize their leadership potential. Though you may not hold a position of authority, you can use your knowledge and skills to improve the work environment. This workshop will prepare participants to use their knowledge, professionalism, interpersonal skills, credibility, and personal network to affect positive changes in the workplace.

Topic of the Month...
"Leadership Development"
